

# Are you a part of the LGBTQIA+ rainbow? Not sure? Are you a teenager? (13-18)

Do you just want to relax and be you? Do you want to socialize with other teens that "get you"? Have you been through something tough and want to help others? TLCC's LGBTQIA+ Teen Group is a peer support group for teens identifying within this community to meet new friends, connect, share, learn from, and help one another in a safe online format.

Group meetings will be on Zoom. The group will be facilitated by an adult (licensed mental health professional) but really will be led by you and your peers for maximum support benefits! Talk to any staff member on how to get the Zoom meeting link and password

1<sup>st</sup> Tuesday of the month 4PM starting October 6, 2020! Don't miss it!
